I understand that I must be in compliance with all rules and regulations of the Upper Loup NRD programs and agree to the following conditions at the time of completion in order to receive payment.

1. Obstructions in and around the well should be removed by owner, and at the owner's expense, that would hinder well decommissioning.
2. Decommissioning must be done in accordance with all applicable state laws, standards, rules and regulations.
3. A licensed water well contractor or pump installation contractor is required to do the abandonment in order to receive cost share.
4. The cost share shall be 75% of the materials and labor for the decommissioning with a maximum of \$400 for a domestic or livestock well and \$700 for an irrigation or municipal well.
5. Upon completion a copy of the water well contractor's itemized statement must be provided to the District to verify the cost of labor and materials.
6. W-9 and Attestation forms must be on file at NRD or submitted with this form.
7. All decommissioned wells must be submitted to the Nebraska Department of Natural Resources, a copy of the submitted decommissioning form must be forwarded to the District within 12 months of the well decommissioning before payment will be made.
